

Tech Mahindra Partners with Mahindra Logistics to Introduce Electric Vehicles for Employee Transportation

Mahindra E-Verito vehicles deployed at Tech Mahindra Hyderabad campus

Hyderabad, July 24, 2019: Tech Mahindra Limited, a leading provider of digital transformation, consulting and business reengineering services and solutions, has partnered with Mahindra Logistics (MLL), one of India's largest 3PL (Third-Party Logistics) solution providers, for introducing and operating Electric Vehicles (EV) for employee transportation. Mahindra Logistics will be deploying Mahindra E-Verito vehicles at Tech Mahindra's Hyderabad campus under its employee transportation fleet from 24 July 2019.

CP Gurnani, MD and CEO, Tech Mahindra, said, "Sustainable mobility is the need of the hour. With environment and people at the core of our business, we at Tech Mahindra are committed to drive this shift to electric mobility. We are happy to partner with Mahindra Logistics to accomplish the collective vision of improved electric mobility that will help us shape a sustainable future. We look forward to adding more electric vehicles at our offices globally."

As part of its Go-Green initiative, MLL's People Transport Solution business aims to take the tally of electric vehicles in its employee transportation fleet to 300, over the fiscal year 2020.

Pirojshaw Sarkari, CEO - Mahindra Logistics, said, "Electric Vehicles, for us, exemplifies the Mahindra Group's vision of the Future of Mobility – a sustainable automotive ecosystem that brings mobility solutions to customers across the world. One of MLL's Purpose principles is 'Sustaining the Environment' and we deeply believe in the need to adopt environment friendly solutions and also align our business practices accordingly. We are delighted to partner with Tech Mahindra to take this step towards a greener future."

Tech Mahindra has been at the forefront in using innovative technologies to solve complex issues of the real-world. As a responsible business entity, the organization concentrates on integrating sustainability into all aspects of the business and develops strategies for Environmental, Social and Governance (ESG) dimensions.
