

Vivek Agarwal

President – APJI (Enterprise), BFSI & Corporate Development

Vivek Agarwal is the President – APJI (Enterprise), BFSI & Corporate Development at Tech Mahindra. He is responsible for creating a robust and differentiated portfolio of offerings for our clients in each vertical, and organic and inorganic investments for building capability. He also oversees our Portfolio Investments, including effective integration and realization of synergies and business objectives.

Vivek has been with Tech Mahindra since 2004 and took a 2-year sabbatical in between to create an early-stage technology venture. He has been an integral part of Tech Mahindra's journey over the last 10 years, leading and structuring some of the largest multi-year outsourcing deals and some of our marquee acquisitions. Previously, he was the Managing Director of Tech Mahindra's European Telecom business. He has a rich multi-functional experience and brings sharp commercial acumen.
