

# CONNECTSENSE DIGITAL HEALTHCARE PLATFORM

*Transforming the way healthcare is delivered and accessed*

## Tech Mahindra

The **ConnectSense Digital Healthcare Platform** enables a world where wellness, diagnostics, prognostics, and recovery will seamlessly extend outside hospitals into people's homes and lives.

ConnectSense is the platform behind India's first HealthCare Exchange with a target of covering around 20 million+ lives and handling 87 million video /audio consultations. It uses IoT and digital convergence technologies to transform how healthcare is delivered and accessed ; taking healthcare to people's lives, irrespective of where they are.

### Why ConnectSense Digital Healthcare Platform..?

- Delivers a unique and a Connected Patient Experience
- Connects the entire healthcare value chain with a seamlessly integrated platform
- Transforms healthcare economics by enabling hospitals to deliver care for more patients with zero Capex addition
- Creates a significant new revenue opportunity for hospitals

Connected World.  
Connected Experiences.

# Health ATM- Smart Health Kiosks

## Highlights and Key features:
